Re: Matter of Wendy Wagner v. Babley Publishing
Corp., et al., WCB #27709381

Dear Ms. Wagner:

We represent the Respondent Workers' Compensation Board ("Board") and acknowledge receipt of your proposed record list in the above-referenced matter.

Please be advised that after careful consideration, we have determined that the Attorney General's Office will not participate in settling the record in this matter. Accordingly, we request that the parties proceed with settlement and stipulation to the record list as they deem appropriate without our participation. Please also note that although we believe the Board's decision in this matter should be affirmed, the Attorney General's Office may choose to decline participation in certain matters for many different reasons. Therefore, no adverse inference regarding the merits of the appeal or the nature of the Board's interest should be drawn from our non-participation in settling the record.

Thank you. Please do not hesitate to call me if you have any questions.

Very truly yours,
